Re: United States v. Williams, et al. (Octavious Griffin)
Docket # 22 CR 641(PMH)

Dear Judge Halpern;

I represent Octavious Griffin in this matter. As discovery is voluminous, the review thereof has been time consuming, as has communication with my client. I have recently incurred expense for providing a laptop to my client. I therefore respectfully request permission to file interim vouchers, through the present and then periodically thereafter until the case concludes.

Thank you for your courtesy and consideration.

Respectfully yours,

John S. Wallenstein
